cleaning up
all my dirty
thoughts

With spring here, all I want to do is get everything nice and fresh.

Sadly my mind has been anything but nice, and definitely isn't clean. I know the go-to is a cold shower, but I prefer a warm bubble bath. Once I step in, my libido rises with the water level and all my dirtiest thoughts return. I start to touch myself moaning with anticipation. I instinctively reach for a toy, and any hope for being better behaved is gone.

Selling secondhand books at a flea market turned into a first-rate fuck

I've got a full-time job and have a booth at a flea market on the weekend as a side hustle.

One time, this luscious redhead came by the booth, making sure that I could see her big milk-white tits as she squatted and dug through the box of books. I was standing beside my table, with my crotch only a few inches from her sweet mouth. I had a perfect view down her blouse and she knew damn well that I was looking.

The books in the box were mostly of the erotic variety. The redhead fit the pattern that I had discovered after many trips to the flea market: Women were the main buyers of these sexy books. I purposely had the books on the ground behind my table to keep the youngsters from getting an early education. The red-

buying them for their husbands. This one chick stood there picked them up one at a time and browsed. Watching her look at the pictures of couples in every conceivable sexual position gave me a hard-on like you wouldn't believe.

Once or twice she looked directly at the growing lump in my pants, and licked her lips as she smiled up at me. "These things make me hot," she said, barely above a whisper. "Me, too," I grunted. I saw no reason to lie. I've been reading those types of books and jerking off since I was a kid. And as a single man, sometimes when things aren't going well with the opposite sex, it's all I have.

head wasn't the first woman to give me a good show while choosing a book, but unlike most of them, she didn't seem the least bit embarrassed.

Most of my customers mumble something about

"How much for all of them?" was her next question.

It caught me off guard. It was a pretty big box and even at a buck a pop it was worth at least a hundred. I

told her the price and she didn't bat an eye.

"I don't have that much money with me," she smiled with a gleam in her eye. "Could you deliver them? I only live a few miles from here."

She bought about a dozen and gave me her address. I was to deliver them the following Friday evening. I spent the rest of the week dreaming about what it would be like to sink my dick in her hot little cunt.

I had to stay late at the office that Friday, and so it was past 10 when I arrived at her house. She took quite a while to answer and when she appeared she looked sleepy, like she was ready for bed. The robe she was wearing was so thin I could see her nipples straining against the fabric.

"You don't mind if I count them?" she asked as she stepped aside to let me pass. Her request caught me by surprise. I really expected to hand her the box, take the money and be on my way.

"Can you bring them into the bedroom?" she asked as she followed me across the living room. "Just sit them on the bed." One of the books she had taken with her the previous Saturday was lying on the night stand. It was open and face down as though she had been reading it.

"I'm glad you came by," she purred. "I'm reading the last of those I bought Saturday."

"I'm glad they are now with someone who will enjoy them," I said. The front of her robe was open and beneath it she had on only a thin little nightie.

"They call me Candy," she smiled, as she reached into the box and pulled out one of the books. The name suited her perfectly. She was like a big lollipop, ready to be licked. "Will you show me which ones are the hottest?" she asked, as she touched my arm with her hot hand.

The feel of her cool hand on my sweaty arm sent tremors through my cock. "Sure," I gulped, trying to remember that this was supposed to be a business transaction.

Luckily, one of the best was on top. It was a special edition, dedicated to oral sex. If there is one thing I love doing, it's licking a nice, juicy pussy. I handed it to her and asked to use the bathroom. My dick was at a painful angle and I desperately needed to adjust it. So I headed to the bathroom while she thumbed through the book.

I closed the door and stood in front of the toilet with my stiff dick in hand. My goal was to piss and hopefully make my hard-on go away. But I couldn't help giving my cock a few badly needed strokes. I was tempted to jerk off but was afraid that she might get

curious if I stayed in there too long.

So, I knelt and peeked through the keyhole to see what she was doing. And what I saw nearly blew my mind. Candy was sitting on the bed with a book in one hand while her other hand was busy fingering her cunt. I wanted to open the door and leap out into the room with my dick sticking straight out, but I didn't have the guts. Instead I knelt there with my dick in my fist, jerking off while I watched that beautiful hot babe toy with her pussy.

It was wilder than my sexiest fantasy. When her back stiffened and she drove a finger deep into her wet pussy and bit her bottom lip, I shot off all over the bathroom door. When I finally stopped coming, I cleaned up the puddle of cum and flushed the toilet. I

figured the noise would let her know that I was on the way back into the room.

I opened the door slowly, holding my breath. Candy was standing beside the unmade bed. Her silk robe was on the floor but her hands were not between her legs.

I walked over and stood beside her, looking over her shoulder at the page she was reading. On it was a close-up of a pussy, with a dude's tongue licking the clit.

"Did you do it while you were in the bathroom?" she purred.

“Yes,” I mumbled, sensing that it was useless to lie.

“Me, too,” she gasped.

“I know,” I groaned as I pulled the material of her nightie aside and let my mouth close over her left nipple. “I was watching.”

“I was hoping that you would be,” she sighed as she exposed the other breast to my hungry eyes. Her nipples tasted like honey and were so sensitive that she moaned constantly as my mouth moved back and forth between them. I then kissed my way down her body and knelt in front of her as I pulled the bottoms over her soft round hips.

“I’m going to lick your pussy now, Candy,” I growled as my hands moved between her hot thighs. She opened her legs and whimpered as my face moved

pid. While I knelt between her legs, I let my hand slip between that heavenly triangle. I slipped a finger into her juicy slit and then put it into my mouth and licked it clean. Her bright blue eyes followed my every move.

“They named you wrong,” I grinned. “Candy is all wrong; honey is more like it.” She grinned and let her bare foot brush against my cock.

“When you talk like that it makes me very, very hot,” she whispered as her toes stroked my hard twitching dick.

“I hope so,” I groaned as she took my arms and pulled me to my feet. Without another word, she opened my zipper and freed my aching cock. She squealed as it sprang out.

“Let’s get naked,” she said breathlessly.

I shed my clothes in record time, and then I sat on the bed across from her. Our knees touched. Her eyes were glued to my cock as it stood straight out from my belly.

“Let’s do it together,” she gasped as she pushed a finger into her pussy. “I’ve always wanted to see a guy jerk off,” she grinned, licking her lips.

How could I refuse? I was so horny by that time that I would have stood on my head and done it if she’d asked. I had only one goal: to get my dick between those long, lean legs, buried to the hilt in her tight wet pussy.

I grabbed my cock and started pumping it gently. I had no intention of coming; I was saving that load for her perfect pink pussy. “Tell me when you are ready to come,” I groaned. “I want to drink your cum.”

The suggestion set my little head on fire. She blushed for first time and began fingering pussy in earnest “Get ready,” she whimpered, only seconds later. “I’m almost there.”

I released my cock and gave my full attention to her finger as it drove wildly in and out of her juicy cunt. Just watching the redhead begin to come had me ready blast my load.

“Now!” she screamed as threw her legs open and displayed the wet, pulsing lips of her pussy to my hungry gaze. I lunged into her quivering box and shoved my tongue deep into her.

She then put her hands behind my head and howled as her body convulsed. She locked her thighs against my face and hunched her pussy wildly on my tongue until the last spasm passed. Then she flopped back on the bed like an old rag doll, exhausted and totally satisfied.

In the meantime, I was anything but sated as my

slowly toward her hot, pink slit. I began with a quick kiss placed directly on her clit.

She placed her hands behind my head and pushed her cunt hard against my face. I let my tongue slip into her tight wet hole and she began to tremble. The juice flowed from her trembling pussy like syrup. I licked her pussy until she pushed me away.

“Wow!” she gasped as she sat on the edge of the bed. “I didn’t know anything could be that good. Thank you,” she added as she leaned forward and kissed my lips.

Even after eating her pussy, I wasn’t sure that she would let me fuck her, so I proceeded very cautiously. I didn’t want to blow it by doing something really stu-

cock screamed for release. “I’m going to fuck you now, Candy,” I whispered as I lifted her legs and slid forward. I wound up sitting between her legs with my cock resting in the slick groove of her pussy.

I let it slide slowly up and down her hot slit for quite a while as she recovered from her orgasm. I wanted her with me when I shoved my dick into that sweet honeypot.

The hard cock rubbing steadily against her cunt and clit had the desired effect. She squirmed and I felt her cunt lips nibbling at my twitching shaft. Her swollen clit was soft, hot, and quivering as I rubbed it with my sensitive cockhead. “Put it in,” she begged. “I

them gently with her hot little fingers. I was unable to answer that question since my mouth was full of her tasty, sensitive nipple. So I nodded and kept on fucking.

“If it gets published, I’ll suck you off,” she gasped as she locked her legs around my hips and began fucking back at me in earnest. I cupped the soft, round cheeks of her ass and pulled her moist pussy hard against my thrusting monster. I wanted my erection to tickle her tonsils. She moaned loudly as she buried her mouth in my shoulder and shook all over as she came again.

Her pussy literally pulled the hot cum from my balls. I bellowed like a bull as the hot seed spurted into her grasping cunt. Even after I stopped coming, her

want your dick!”

“I thought you’d never ask,” I teased as I rocked forward and let my penis slip into her hungry cunt. It was tight and hot it as gripped my cock and squeezed it in a regular rhythm, as I slid deeper into her juicy slit.

“This is just like one of those erotic stories,” she gasped as her hips matched the steady motion of my thrusting cock.

“Yeah,” I groaned, too busy fucking to talk. Every stroke brought me nearer to the release that I needed so desperately.

“We should write our own story,” she grunted as she reached down and cupped my balls, squeezing

pussy continued milking me. Finally she spit my dick out with a loud plop.

She lay in the middle of the bed, spread-eagled with my cum leaking from her satisfied gash while I dressed. I wanted to give her a freebie but she insisted on paying me.

As she walked me to the door, she reminded me of the promise she had babbled during our fuck session. “Remember, get our story printed and you get a blowjob.”

The way she licked her lips and teased me with her long, pink tongue, I knew that I had to give it a try. So if you are reading this, you can be sure that Candy has enjoyed a mouthful of my cum.

Have you ever decided to surprise your lover, but while you're getting ready you forget what your plan even was? Did you look at your partner, shrug, and decide to just fuck? Well, the same thing happened to us. We got all done up, just to rip open our clothes and piping ourselves and each other. At the end of the day sex is sex and I'd rather be cumming than working. Oh, that's what the surprise was supposed to be!

a nose for nooky

Perhaps Missy, the station's number one anchorwoman, could present the story with a unique twist.

“**W**hat about those guys over there?” Missy asked.

Hands on the wheel, I regarded my colleague with skepticism. A pickup basketball game was strictly bottom of the barrel. Still, we had been riding around for almost an hour with nothing to show for our efforts. Perhaps Missy, the station's number one anchorwoman, could present the story with a unique twist.

I rolled my eyes. “You're the journalist.”

“You got a better idea?” she asked defensively.

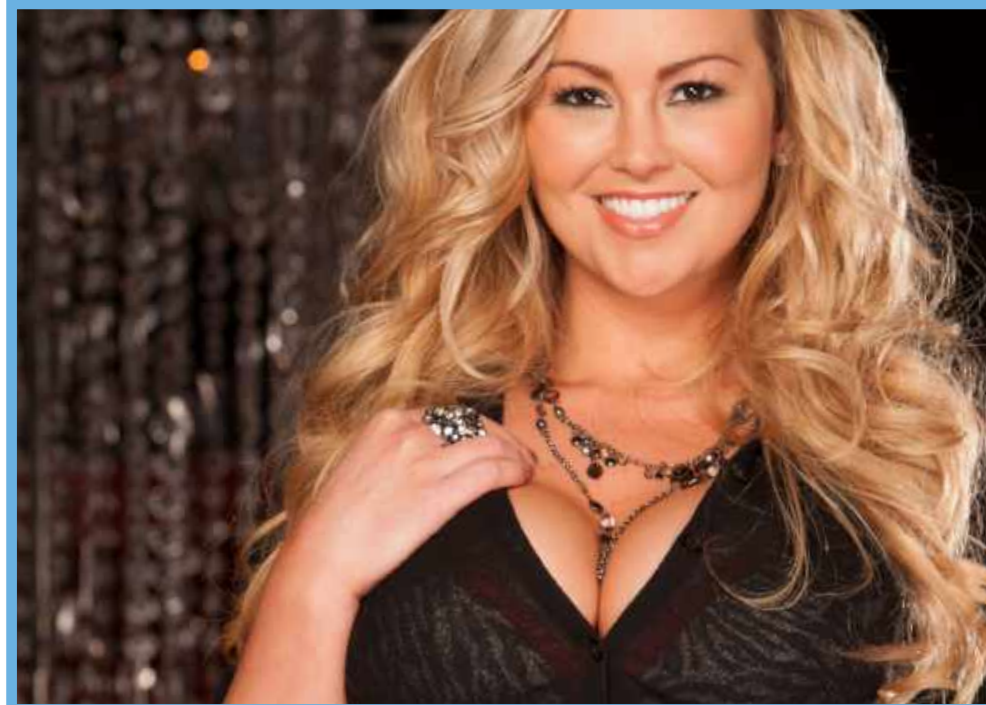

Yeah, I thought. Going to the nearest bar and getting shitfaced.

Of course I kept this to myself. Missy wouldn't have appreciated my lack of enthusiasm. She was a go-getter, a recent college graduate with her eyes on the prize. In a few years she would be living in a major metropolis, plying her trade for a much bigger and better station; her present gig was a mere stepping stone.

Unfortunately my situation was much different. A lowly cameraman earning fifteen bucks an hour, I had long since accepted my limitations. In all likelihood this was it for me, the pinnacle of my so-called professional life. Having just turned thirty-five, I spent my days and nights trying not to dwell on the many missteps that had led me here.

Now, wheeling the van into the public park, I tried to focus on the job ahead. The place teemed with activity. People had fled their homes to take advantage of an unseasonably warm February weekend.

Missy checked her hair and makeup in the mirror affixed to the

sun visor. Satisfied, she took a deep breath and opened the passenger door. I retrieved my camera and tripod from the back of the van, hanging back while Missy approached the basketball court. After all, this was her show, not mine.

She waited for a break in the game, then turned on the charm. The sweaty hoopsters, huffing and puffing from exertion, got a big kick out of the whole thing. Missy was something of a local celebrity. They probably tuned in to watch her on a nightly basis. And why not? She was young, charismatic, sexy . . .

I moved in with my camera, filming her as she interviewed the more talkative members of the bunch. I supplemented this footage with some on-court action, capturing a

nice three pointer for my efforts.

All things considered, the whole package would make for a passable piece. Our boss could hardly expect miracles; we did the best we could on slow news days.

We were heading back to the station when Missy said, “I could use a drink.”

I laughed it off, thinking she was kidding. When I stopped at a red light she told me to take the next right. “But the station is a straight shot—”

“We're not going to the station,” Missy interrupted.

She led us to a bar near the river. It was an out of the way joint, markedly simple and lacking in pre-

BLAIR-NTS-00

tension, a watering hole for serious drinkers. It didn't seem like her kind of place. Then again, what did I really know about Missy's personal life? Not a whole hell of a lot.

We sat at a booth in a dark corner and drank cheap draught beer. It didn't take me long to realize that Missy was lonely. She had moved here immediately after college, relocating to a place where she didn't know a soul. Working long hours at the station prevented her from having much of a social life.

"Hang in there," I told her. "You won't be here long. Trust me, Missy. I've been working at the station for a long time. The good ones never stick around for more than two or three years. And you're definitely one of the good ones."

"You think so?"

"I know so."

I drained the rest of my beer. Then I went to the restroom. Standing there at the urinal, I gazed at the wall and thought about what I had told her. It was the truth. Missy was destined for much more. I hadn't been blowing smoke up her ass, hadn't been buttering her up with hopes of getting in her pants. Not that I wouldn't have jumped at such an opportunity. Missy was a serious hottie – blonde, tight body, great tits.

I washed my hands and reached for the door handle, receiving quite a jolt when Missy rushed into the restroom.

"Wrong door," I muttered.

"No," she replied, "I'm not that drunk."

It happened with astonishing speed. Missy pressed her lips to mine. There was hunger in her kiss, hunger and urgent need. Considering the things she had confessed back at the booth, I wasn't really all that surprised.

Not with the kiss, anyway.

The stunner came seconds later when she knelt and unzipped my pants. "Is this okay?" she asked, peering up at me with her beautiful blue eyes.

"God, yes," I said.

"Good. I've been dying to suck

some dick . . ."

Missy didn't bother with the preliminaries -- no delicate licking of my shaft, no teasing or taunting. She devoured me without delay. I leaned against the sink, relishing the sensation as her head moved back and

forth, priming me faster and faster. Her mouth was hot, wet, soft. And she knew how to use it. Her red painted lips encircled me, sliding up and down with increasing urgency as she moaned and groaned around my pulsating meat.

I glanced at the door, imagining some random barfly interrupting our fun. The possibility of such an intrusion heightened my excitement. I ran my hands through Missy's lustrous hair. She sucked and slurped with sloppy abandon. My prick cap pressed the back of her throat. Frothy spittle oozed down her chin. She came up for a breather, wiping her mouth with the back of her hand.

"I want you to fuck me . . ."

"Here?" I asked.

"In the van," she said.

I paid our tab, following Missy out the door. The van was parked on the street. I cranked it up. "Through there," Missy pointed at the mouth of an alley. "There's a vacant lot on the other side."

I drove through the alley. Hidden as it was from prying eyes, the vacant lot was perfect. By the time I killed the engine Missy was already in the back taking off her clothes. Heart hammering with anticipation, I joined her.

It was a tight squeeze back there; news production vans are crammed with all manner of electronic equipment. A good thing, this, as the close quarters upped our level of intimacy considerably.

There was a single chair positioned before a bank of computers, a chair I had occupied countless times while editing news footage. I discarded my clothes and took a seat, unfurling my legs and holding the base of my prick.

Missy straddled me, thrusting her tits in my face while lowering her hips. Her pussy snuggled my cock, wrapping it in ultra-tight heat. I reached around with both hands and grabbed her ass, digging my fingers into her toned tushy.

She rode me with savage skill, rode me like a cum-crazed cowgirl, employing a frenetic pogo motion. A slapping sound punctuated each downward plunge of her pelvis, the unmistakable smacking of flesh as she impaled herself repeatedly.

This went on for some time before Missy dismounted, turned around, and proceeded to ride me reverse-cowgirl style. I held her by the waist, peering at her spectacular ass move up and down, watching with amazement as my cock vanished inside her – again and again – with each plummeting crash of her pussy.

I released her waist and slid my hands up to her tits, rubbing and kneading the responsive flesh, running my fingers across her firm nipples. Missy moaned with rapture,

riding me harder and faster as she did so. The increased pace sent me closer and closer to the edge. I tried to hold out a little bit longer, but it was no use.

Aware of this, Missy raised her hips and hopped down. Thankfully she wasn't through with me. She leaned over and tugged my slick pole. Three strokes did the trick. My cock throbbed, spewing cum – lots of cum – with each delicious spasm.

"Goodness," Missy remarked. "I should've brought a beach towel."

"Back to work," I said resignedly.

I drove through the alley and pointed the van toward the station. Our boss was a difficult man. He expected miracles, expected dynamic news in a city bereft of such stories. "A nose for news," he was fond of saying. Well, Missy and I had gone out sniffing for something, anything, to satisfy the guy. Would pickup basketball in the park suffice? We sure hoped so.

"Turn around!" Missy exclaimed.

"Come again?"

"Go back to the park."

"The park? What for?"

"Just do it. I've got an idea. Trust me, okay?"

"Whatever you say, Missy."

I turned around in a convenience store parking lot and returned to the park. The pickup basketball game had just ended when we arrived.

"Hang tight," Missy told me. "I'll be right back."

I sat there behind the wheel, watching her as she conversed with three of the hoopsters. They started laughing and gesticulating wildly. What in the hell is she telling them? I wondered. Perhaps Missy was a comedian. I tried to imagine her doing standup, tried and failed. She returned shortly.

"What was that all about?" I asked her.

"Are you free tonight?"

"As far as I know, yeah. But what—"

"Good. My place. Eight o'clock

sharp. And bring a camera."

The three hoopsters were sitting on the sofa when I arrived at Missy's apartment that night. And, judging from the number of empty beer bottles on the coffee table, they

had been there for quite some time. They remembered me from earlier, welcoming me to the party with a series of handshakes. Per Missy's request, I had brought a video camera – replete with tripod – from the station.

"Now that we're all here," Missy was wearing a bathrobe. "Let's take this to the bedroom, shall we . . ."

The hoopsters were all smiles. I was shocked, to say the least, shocked and more than a little excited. I followed the procession to her bedroom and set up the camera.

Missy peered at me. "Are we recording?"

I gave her the thumbs up.

She unbelted her robe and let it fall

to the floor. The hoopsters regarded her hot body hungrily, fumbling with their trousers as she crawled across the floor with excruciating slowness, titillating them, closing the gap with feline grace.

I was turned on something fierce. Still, I resisted the temptation to stroke myself. My role tonight was that of cameraman. I had a job to do. Missy was counting on me.

The three cocks were quite large. And plenty hard.

Missy serviced each one with meticulous care. While sucking one cock, she stroked the others, keeping her mouth and both hands occupied the entire time. My pulse pounded as the action heated up; the scene was getting closer and closer to its climactic closure.

"Give it to me," Missy told them. "Give me your cum . . ."

The hoopsters moved in as a unit; they tugged their enormous dicks faster and faster until . . .

Geysers of cum splashed Missy's face, coating her from chin to hairline. The blasts kept coming, a seemingly endless barrage of ball sauce. I zoomed in for a close up, lingering on her cream coated visage for an inordinately long time.

Missy's hard work paid off. Now she hosts her own morning show at one of the major national networks.

I think of her often, think of those magical moments we spent in the back of the van. Of course I watch the footage of her and the hoopsters often. It's my preferred porn piece, the one that really makes me explode.

Missy let me have the SD card. "A little something to remember me by," she had said after the shoot, "after I move on."

Talk about a scandal waiting to happen! Leaking the thing would surely end her career. I could sell the incriminating scene for a hefty sum. But I would never do that. Missy was good to me, so damned good . . .

Her dirty little secret is safe.

For Vivien, her ability to assume control over negotiations is the best perk. Especially if her customers are cute. Today she's going to a merger that looks to be very big, and promising. With two gentlemen eager to insert their business into her's, she had to check the numbers on her own. Not to her surprise there seems to be plenty of business happening in these pipelines. This merger may take awhile.
